In full consideration of the sale, assignment and transfer of the Company Capital Stock and the agreements of the Company Stockholders made in connection with the transactions contemplated hereby, Buyer Sub shall pay to each Signing Company Stockholder such Signing Company Stockholder's Consideration Portion (as defined below) of the Purchase Price. Each Company Stockholder's *"Consideration Portion"* shall mean an amount of cash as set forth next to such Company Stockholder's name on Schedule 1.3(b) which amounts shall be payable at the Closing except for such amounts as are indicated on Schedule 1.3(b) as payable on January 30, 2007. Pursuant to the Warrantholder Stock Purchase Agreements, in full consideration of the sale, assignment and transfer of the Company Capital Stock and the agreements of the Company Stockholders other than the Signing Company Stockholders made in connection with the Warrantholder Stock Purchase Agreements, Buyer Sub shall pay to each Company Stockholder that executes and delivers a Warrantholder Stock Purchase Agreement such Company Stockholder's Consideration Portion of the Purchase Price. For the avoidance of doubt, the aggregate amount of the Consideration Portions payable to all Company Stockholders pursuant to this Agreement and the Warrantholder Stock Purchase Agreements (and subject to the escrow provisions of this Agreement) shall not exceed the Purchase Price. Accordingly, in the event that the names or stockholdings of the Company Stockholders should be different in any respect from those set forth on Schedule 1.3(b), the Consideration Portion of each Company Stockholder shall be appropriately adjusted in the Spreadsheet by the Company in a manner consistent with Schedule 1.3(b) so as to provide for the purchase of all shares of Company Capital Stock by Buyer Sub for an amount not to exceed the Purchase Price and the payment of a specified percentage of the Purchase Price to be paid to each Class A Stockholder on January 30, 2007, and, subject to Parent's approval of such adjustments (which approval will not be unreasonably withheld), such adjusted Consideration Portions shall be the Consideration Portions for the Company Stockholders for all purposes. Parent shall be responsible and liable for any failure of Buyer Sub to make the payments of the Purchase Price

to the Company Stockholders and the Escrow Fund as provided in this Agreement and in the Warrantholder Stock Purchase Agreements.

(c) Delivery of Cash Consideration. Payment of the Consideration Portion of the Purchase Price of each Signing Company Stockholder in accordance with Section 1.3(b) shall be paid by or on behalf of Buyer Sub at the Closing by wire transfer to the account of such Signing Company Stockholder at a bank specified in the Spreadsheet; *provided, however*, that, on behalf of the Signing Company Stockholders, on the Closing Date, Buyer Sub shall deposit into the Escrow Fund (as defined in Section 8.2(b)) the Escrow Amount out of the Purchase Price otherwise payable pursuant to Section 1.3(b) and this Section 1.3(c), and *provided, further*, that a portion of the Consideration Portion payable to Class A Stockholders, as set forth on Schedule 1.3(b) shall be paid on January 30, 2007. The portion of the Escrow Amount contributed on behalf of each Signing Company Stockholder shall be equal to the Escrow Portion.

(d) Signing of Share Register. On the Closing Date, each Company Stockholder or a duly authorized attorney-in-fact of each Company Stockholder shall record the transfer of the shares of Company Capital Stock owned by such Company Stockholder to Buyer Sub in the Company's share register and shall sign the Company's share register to that effect. On the Closing Date, Buyer Sub or its duly authorized attorney-in-fact shall sign the Company's share register to accept transfer of the Company Capital Stock from the Company Stockholders.

1.4 No Further Ownership Rights in the Company Capital Stock. The Purchase Price, subject in the case of the Signing Company Stockholders to the deposit of a portion thereof into the Escrow Fund (as defined in Section 8.2(b)) and the payment of a portion thereof on January 30, 2007 as described in Section 1.3(c), shall be deemed to have been issued in full satisfaction of all rights pertaining to the Company Capital Stock and the Company Stockholders shall have no continuing rights with respect to or arising from the Company Capital Stock following the Closing.

1.5 Further Action. If, at any time after the Closing, any further action is necessary to ensure that Buyer Sub or any successor thereto retains full right, title and possession to the Company Capital Stock, which will give Buyer Sub full control over all of the assets, property, rights privileges, powers and franchises of the Company, the Company Stockholders and Buyer Sub will each take all such action.

1.6 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration and other such Taxes resulting from the purchase and sale of Company Capital Stock contemplated by this Agreement ("*Transfer Taxes*") shall be borne and paid by the Company Stockholders, and the Company Stockholders will, at their own expense, file all necessary returns and other documentation with respect to all such Transfer Taxes.

1.7 Required Withholding. Each of Parent, Buyer Sub and Escrow Agent will be entitled to deduct from any consideration payable or otherwise deliverable pursuant to this Agreement to any Company Stockholder, including any actual or imputed interest earned on or with respect to the Escrow Fund, such amounts as may be required to be deducted or withheld therefrom under any provision of Belgian, United States (federal, state or local) or other Tax Law or under any other applicable Law. To the extent such amounts are so deducted, the amount of such consideration will be treated for all purposes under this Agreement as having been paid to the person to whom such consideration would otherwise have been paid. For the avoidance of doubt, this Section 1.7 shall apply to any withholding obligations whether arising as a result of the transactions contemplated by this Agreement or otherwise. Each Signing Company Stockholder acknowledges and agrees that, to the extent that any withholding obligations may be applicable to such

Signing Company Stockholder in connection with any compensation paid to such Signing Company Stockholder at any time in the past or in the future, these obligations may be satisfied in accordance with this Section 1.7. Notwithstanding any provision to the contrary in any Company Warrant (or other warrant ever granted or issued by the Company), each Signing Company Stockholder acknowledges and agrees that such Signing Company Stockholder shall be fully liable for any Tax consequences associated with the grant to such Signing Stockholder or exercise by such Signing Stockholder of any Company Warrant (or other warrant ever granted or issued by the Company) or any sale by such Signing Stockholder of Company Capital Stock issued upon exercise of any Company Warrant (or other warrant ever granted or issued by the Company) except for the amounts set forth on Schedule 1.7 relating to acceleration of the Company Warrants.

Neither the Company nor any of the Company Stockholders are in breach of, nor has the Company or any of the Company Stockholders failed to perform under, any of the IP Licenses and, to the Knowledge of the Class A Stockholders, no other party to any such contract, license or agreement is in breach thereof or has failed to perform thereunder. Following the Closing Date, Buyer Sub will be permitted to exercise all of the Company's rights under the IP Licenses to the same extent the Company would have been able to had the transactions contemplated by this Agreement not occurred and without the payment of any additional amounts or consideration other than ongoing fees, royalties or payments which the Company would otherwise be required to pay. The consummation of the transactions contemplated by this Agreement will not result in any third party being granted any rights to any Company Intellectual Property Rights that are in addition to, or greater than, such third party currently has under such IP Licenses, including any access to or release of any source code owned by or licensed to the Company. This representation shall, however, not apply to any event resulting from any contract between Buyer Sub or Parent and a third party entered into prior to the date hereof or from the pre-existing status of Buyer or Parent independent of this Agreement and the transactions contemplated herein.

(y) Neither this Agreement nor the transactions contemplated by this Agreement, including the assignment to Buyer Sub, by operation of law or otherwise, of any contracts or agreements to which the Company is a party, will result in (i) Parent or Buyer Sub granting to any third party any right to or with respect to any Intellectual Property owned by, or licensed to, it, (ii) Parent or Buyer Sub being bound by, or subject to, any non-compete or other restriction on the operation or scope of its businesses, or (iii) Parent or Buyer Sub being obligated to pay any royalties or other amounts to any third party in excess of those payable by Parent or Buyer Sub, as applicable, prior to the Closing.

(z) The Company is not in violation of any Laws or any policies (such as privacy policies) with respect to the use of disclosure of privacy or third party data rights and the Company has not received any notice claiming or alleging that it has not complied with such Laws or policies. The consummation of the transactions contemplated by this Agreement will not result in the Company, Parent or Buyer Sub being in violation of any such Laws or policies.

The Company shall have delivered to Parent written evidence of such exercise or agreement in form and substance acceptable to Parent prior to the Closing Date.

(n) Execution of this Agreement or a Warrantholder Stock Purchase Agreement by All Company Stockholders. All Company Stockholders, including any holders of Company Warrants who become Company Stockholders after the date of this Agreement, as of the Closing Date shall have either executed and delivered this Agreement and agreed to be bound by the terms of this Agreement or executed and delivered a Warrantholder Stock Purchase Agreement and agreed to be bound by the terms of such Warrantholder Stock Purchase Agreement.

(o) Sale by All Company Stockholders. Notwithstanding anything to the contrary herein, Parent's and Buyer Sub's obligation to purchase any of the shares of Company Capital Stock from any of the Company Stockholders shall be strictly conditioned upon each of the Company Stockholders selling to Buyer Sub free of any applicable transfer restrictions, in accordance with the terms of this Agreement and the Warrantholder Stock Purchase Agreements, all of the shares of Company Capital Stock issued or issuable by the Company.

(p) Consents and Waivers Relating to Intellectual Property Escrow Provisions. The Company shall have delivered to Parent an executed written consent and waiver in substantially the form set forth on Schedule 7.3(p)(i) to this Agreement with respect to each of the Contracts listed on Schedule 7.3(p)(ii) to this Agreement from each party to each such Contract as required by each such Contract in connection with the Stock Purchase, in form and substance satisfactory to Parent, which such consents and waivers shall be effective as of the Closing.

(q) Modification of Contracts. The Company shall have modified those Contracts listed on Schedule 7.3(q)(i) to this Agreement in the manner set forth on Schedule 7.3(q)(ii) to this Agreement, which such modifications shall be effective as of the Closing.

(r) Termination of Contracts. Each of (a) the Loan Agreement dated March 27, 2003, by and among the Company and certain Company Stockholders and (b) the Shareholders' Agreement dated January 7, 2000, by and among the Company and certain Company Stockholders, shall have been terminated and be of no further force and effect as of the Closing.

ARTICLE VIII
INDEMNIFICATION; ESCROW

8.1 Term of Representations and Warranties. Except as set forth in the following sentence (dealing with, among other things, Fraud), the Class A Stockholders shall be liable for their respective representations and warranties in this Agreement or in any instrument delivered by the Company or any of the Company Stockholders pursuant to this Agreement (each as modified by Schedules 2.1 through 2.25, as appropriate) until the first anniversary of the Closing Date, or if later, until the final resolution of any outstanding claims made with respect to such representations and warranties prior to such time; *provided, however*, that the Class A Stockholders shall be liable for their representations and warranties set forth in Sections 2.2, 2.23 and 2.25 until the third anniversary of the Closing Date, or if later, until the final resolution of any outstanding claims made with respect to such representations and warranties prior to such time; and *provided further*, that the Class A Stockholders shall be liable for their representations and warranties set forth in Section 2.10 until 5:00 p.m., California time, on the sixtieth (60th) day after the date upon which the right of any Tax authorities or any other competent authorities to assess or claim any Taxes or social security contributions in respect of the matters giving rise to such a claim is barred by all applicable statutes of limitation. Each Signing Company Stockholder (including, for the avoidance of doubt, each Class A Stockholder) shall be liable for its representations and warranties set forth in ARTICLE III and for any Fraud attributable to such Signing Company Stockholder indefinitely. Parent and Buyer Sub shall be liable for their representations and warranties in this Agreement or in any instrument delivered pursuant to this Agreement until the fifth anniversary of the Closing Date.

8.2 Indemnity and Escrow Arrangements.

(a) Indemnification.

(i) Subject to the limitations and qualifications in this ARTICLE VIII, each Class A Stockholder shall severally but not jointly indemnify and hold Parent and Buyer Sub ("*Parent Indemnified Parties*") harmless against all claims, losses, liabilities, damages, deficiencies, diminutions in value, costs and expenses, including reasonable attorneys' fees and expenses of investigation and defense, (hereinafter individually a "*Loss*" and collectively "*Losses*") incurred, sustained or accrued by any Parent Indemnified Party or the Company, directly or indirectly, as a result of any inaccuracy or breach of a representation or warranty of the Class A Stockholders contained in this Agreement or in any certificate, instrument or other document delivered by the Company or any of the Class A Stockholders pursuant to the terms of this Agreement.

(ii) Subject to the limitations and qualifications in this ARTICLE VIII, each Signing Company Stockholder shall severally but not jointly indemnify and hold the Parent Indemnified Parties harmless against all Losses incurred, sustained or accrued by any Parent Indemnified Party or the Company, directly or indirectly, as a result of (A) any inaccuracy or breach of a representation or warranty of the Company Stockholders contained in ARTICLE III of this Agreement, the Warrantholder Stock Purchase Agreements or in any certificate, instrument or other document delivered by any of the Company Stockholders pursuant to the terms of this Agreement, (B) any failure by the Company or any of the Company Stockholders to perform or comply with any covenant contained herein, in the Warrantholder Stock Purchase

Agreements or in any certificate, instrument or other document delivered by the Company or any of the Company Stockholders pursuant to the terms of this Agreement, (C) any Return Charges or (D) with respect to all periods, including portions thereof, ending on or before the Closing Date, and whether or not known by or disclosed to any Parent Indemnified Party, any failure by the Company to (i) pay all Taxes that the Company is required to pay (except for such Taxes the amount of which is subject to litigation with the applicable tax authorities and has been disclosed in Schedule 1.7), (ii) withhold with respect to its employees and consultants all Belgian federal, state and foreign income taxes and other Taxes required to be withheld and/or pay all such taxes to the proper governmental agencies to the extent such Taxes are due or (iii) make adequate provisions for Taxes not yet due and payable (to the extent that such provisions need to be made pursuant to GAAP). For the avoidance of doubt, as set forth in Section 8.2(a)(iv) below, notwithstanding that the Signing Company Stockholders other than the Class A Stockholders do not specifically provide indemnity hereunder for certain Losses for which the Class A Stockholders provide indemnity as set forth in Section 8.2(a)(i) above, the contributions of the Signing Company Stockholders other than the Class A Stockholders to the Escrow Fund (as defined below) shall be available to compensate the Parent Indemnified Parties pursuant to the indemnity provided by the Class A Stockholders in Section 8.2(a)(i) above.

(iii) In determining whether a breach of any representation, warranty or covenant has occurred, any materiality (including Material Adverse Effect) or Knowledge standard contained in a representation, warranty or covenant shall be taken into account; *provided however*, that in determining the amount of any Losses attributable to a breach, any materiality (including Material Adverse Effect) or Knowledge standard contained in a representation, warranty or covenant shall be disregarded. The Company Stockholders (including, for the avoidance of doubt, the Class A Stockholders) shall not have any right of contribution from the Company, Buyer Sub or Parent with respect to any Loss pursuant to this ARTICLE VIII, including under any provision of the Articles of Association or other organizational documents of the Company or any indemnification or similar agreement. For the avoidance of doubt, if a particular Loss is subject to indemnification under more than one clause of this Section 8.2(a), the Parent Indemnified Parties may choose from among any such applicable clauses in connection with any indemnity claim related to such Loss. However, the Parent Indemnified Parties shall not be entitled to recover damages or obtain payment from the Escrow Fund in an amount greater than the Losses incurred, sustained or accrued if they make multiple claims for the same Loss under different clauses of this Section 8.2(a).

(iv) Notwithstanding anything herein to the contrary, the Escrow Fund (as defined below) shall be available to compensate the Parent Indemnified Parties for any Losses incurred, sustained or accrued by the Parent Indemnified Parties or the Company regardless of the basis of any claim for indemnification hereunder. Accordingly, the contributions of the Company Stockholders other than the Class A Stockholders to the Escrow Fund shall be recoverable by Parent for claims brought under Section 8.2(a)(i) above notwithstanding that such claims are not specifically subject to indemnification by the Company Stockholders other than the Class A Stockholders.

(b) Escrow Fund. At the Closing Date, without any act of any Company Stockholder, Buyer Sub will deposit the Escrow Amount with U.S. Bank, National Association (or other institution acceptable to Parent and the Stockholder Agents (as defined in Section 8.2(h) below)), as Escrow Agent. Such deposit of the Escrow Amount with the Escrow Agent shall constitute an escrow fund (the "Escrow Fund"). The Escrow Fund shall be governed by the terms set forth herein and at Parent's cost and expense. The Escrow Amount shall be available to compensate any Parent Indemnified Party for any claims by such parties for any Losses suffered or incurred by them or the Company and for which they are entitled to recovery under this

ARTICLE VIII. Parent, the Company and the Company Stockholders each acknowledge that such Losses, if any, would relate to unresolved contingencies existing at the Closing Date, which if resolved at the Closing Date would have led to a reduction in the consideration payable in the Stock Purchase. The Escrow Agent may execute this Agreement following the date hereof and prior to the Closing, and such later execution, if so executed after the date hereof, shall not affect the binding nature of this Agreement as of the date hereof between the other signatories hereto. In the event that the Escrow Agent refuses to execute this Agreement, Parent, the Company and the Signing Company Stockholders will use Commercially Reasonable Efforts to obtain an alternative escrow agent as promptly as practicable.

(c) Escrow Periods; Distribution upon Termination of Escrow Periods. Subject to the following requirements, the Escrow Fund shall be in existence immediately following the Closing Date and shall terminate: (i) at 5:00 p.m., California time, on the first business day occurring on or after the thirtieth (30th) day after the first anniversary of the Closing Date (the "*First Termination Date*"), with respect to an amount of the Escrow Fund equal to \$5 million less any amounts claimed as Losses pursuant to any Officer Certificate(s) delivered to the Escrow Agent prior to the First Termination Date (other than Losses claimed by a Parent Indemnified Party pursuant to clause (D) of the first sentence of Section 8.2(a)(ii) if all such Losses claimed on or prior to the First Termination Date pursuant to such clause are for a specified amount and the aggregate of such specified amounts is less than \$4,000,000); (ii) at 5:00 p.m., California time, on the first business day occurring on or after the thirtieth (30th) day after the third anniversary of the Closing Date (the "*Second Termination Date*"), with respect to an amount of the Escrow Fund equal to \$5 million less any amounts claimed as Losses pursuant to any Officer Certificate(s) delivered to the Escrow Agent prior to the Second Termination Date (other than Losses claimed by a Parent Indemnified Party pursuant to clause (D) of the first sentence of Section 8.2(a)(ii) if all such Losses claimed on or prior to the Second Termination Date pursuant to such clause are for a specified amount and the aggregate of such specified amounts is less than \$4,000,000) and (iii) at 5:00 p.m., California time, on the first business day occurring on or after the thirtieth (30th) day after December 31, 2007 (the "*Third Termination Date*") with respect to the remainder of the Escrow Fund. Notwithstanding the foregoing, the Escrow Fund shall not terminate at any time with respect to any amount (or any portion thereof) that is necessary in the reasonable judgment of Parent to satisfy any unsatisfied claims concerning facts and circumstances specified in any Officer's Certificate delivered to the Escrow Agent prior to the termination of the Escrow Fund in full. Following the Third Termination Date, upon the final resolution of any such pending claims, the Escrow Agent shall deliver to the Signing Company Stockholders the remaining portion of the Escrow Fund to the extent not required to satisfy any remaining pending claims. Deliveries of the amounts out of the Escrow Fund to the Company Stockholders pursuant to this Section 8.2(c) shall be made in proportion to their respective original contributions to the Escrow Fund as determined pursuant to Section 1.3(c) hereof.

(d) Protection of Escrow Fund. The Escrow Agent shall hold and safeguard the Escrow Fund until the final termination of the Escrow Fund in full, shall treat such fund as a trust fund in accordance with the terms of this Agreement and not as the property of Parent and shall hold and dispose of the Escrow Fund only in accordance with the terms hereof. At all times during which the Escrow Agent shall hold all or any portion of the Escrow Fund, the Escrow Agent shall invest and reinvest the Escrow Fund, unless otherwise directed in writing by Parent and the Stockholder Agents, in a liquid money market account (the "*Obligations*"). All income earned on the Obligations shall be added to and deemed a part of the Escrow Fund. For tax reporting and withholding purposes, all income earned on the Escrow Fund shall be treated, and shall be reported by the Escrow Agent, as income of the Signing Company Stockholders.

(e) Claims Upon Escrow Fund. Upon receipt by the Escrow Agent at any time on or before the final termination of the Escrow Fund in full, of a certificate signed by any officer of Parent (an "*Officer's Certificate*"): (i) stating that a Parent Indemnified Party or the Company has paid or properly accrued or reasonably anticipates that it will have to pay or accrue Losses, and (ii) specifying in reasonable detail the individual items of Losses included in the amount so stated, the date each such item was paid or properly accrued, or the basis for such anticipated liability, and, if applicable, the nature of the misrepresentation, breach of warranty or covenant to which such item is related, the Escrow Agent shall, subject to the provisions of Section 8.2(f) hereof, deliver to Parent out of the Escrow Fund, as promptly as practicable, an amount of cash equal to such Losses. Following the First Termination Date, no Parent Indemnified Party may deliver an Officer's Certificate to the Escrow Agent claiming amounts in the Escrow Fund unless such claim relates to (a) a matter addressed in an Officer's Certificate delivered to the Escrow Agent prior to the First Termination Date, (b) any breach or inaccuracy of the representations and warranties set forth in Section 2.2, Section 2.10, Section 2.23 or Section 2.25 hereof, (c) a claim for Agent Interpleader Expenses or Agent Indemnification Expenses pursuant to Section 8.2(k)(vi) or 8.2(k)(vii) hereof or (d) a claim pursuant to clause (D) of the first sentence of Section 8.2(a)(ii).

(f) Objections to Claims. At the time of delivery of any Officer's Certificate to the Escrow Agent, a duplicate copy of such certificate shall be delivered to the Stockholder Agents (as defined in Section 8.2(h)) and for a period of sixty (60) days after such delivery, the Escrow Agent shall make no delivery to Parent of any cash pursuant to Section 8.2(e) hereof unless the Escrow Agent shall have received written authorization from the Stockholder Agents to make such delivery. After the expiration of such sixty (60)-day period, the Escrow Agent shall make delivery of cash from the Escrow Fund in accordance with Section 8.2(e) hereof, provided that no such payment or delivery may be made if the Stockholder Agents shall object in a written statement to the claim made in the Officer's Certificate, and such statement shall have been delivered to the Escrow Agent prior to the expiration of such sixty (60)-day period.

(g) Resolution of Conflicts. In case the Stockholder Agents shall so object in writing to any claim or claims made in any Officer's Certificate, the Stockholder Agents and Parent shall attempt in good faith to agree upon the rights of the respective parties with respect to each of such claims. If the Stockholder Agents and Parent should so agree, a memorandum setting forth such agreement shall be prepared and signed by both parties and shall be furnished to the Escrow Agent. The Escrow Agent shall be entitled to rely on any such memorandum and distribute cash from the Escrow Fund in accordance with the terms thereof. If no such agreement can be reached after good faith negotiation, either the Stockholder Agents or Parent may seek resolution in accordance with Section 10.7 hereof.

(h) Stockholder Agents: Power of Attorney.

(i) Each of the parties hereto agrees that, effective upon the execution of this Agreement and without further act of any Company Stockholder, Luc De Mey and IT-Partners NV shall be appointed as agents and attorneys-in-fact (the "*Stockholder Agents*") for each Signing Company Stockholder, for and on behalf of the Signing Company Stockholders, to give and receive notices and communications, to authorize payments to any Parent Indemnified Parties from the Escrow Fund in satisfaction of claims by any Parent Indemnified Parties, to object to such payments, to agree to, negotiate, enter into settlements and compromises of, and comply with Orders of courts with respect to such claims, and to take all actions necessary or appropriate in the judgment of the Stockholder Agents for the accomplishment of the foregoing. Such agency may be changed by the Signing Company Stockholders from time to time upon prior written

notice to Parent; *provided* that neither of the Stockholder Agents may be removed unless holders of a two-thirds interest of the Escrow Fund agree to such removal and to the identity of the substituted agent. Any vacancy in the position of either Stockholder Agent may be filled by approval of the holders of a majority in interest of the Escrow Fund. No bond shall be required of the Stockholder Agents, and the Stockholder Agents shall not receive compensation for their services. Notices or communications to or from both of the Stockholder Agents shall constitute notice to or from each of the Signing Company Stockholders. In addition, the parties hereto shall be authorized and entitled to rely upon any action or communication by Paul Verdurme as a duly authorized action of IT-Partners NV until such time as IT-Partners NV shall deliver notice in accordance with Section 10.1 to Parent and the Escrow Agent of a different individual who shall act on behalf of IT-Partners NV (following which, the parties hereto shall be authorized and entitled to rely upon any action or communication by such individual as a duly authorized action of IT-Partners NV).

(ii) The Stockholder Agents shall not be liable to any Signing Company Stockholder for any act done or omitted hereunder as Stockholder Agents while acting in good faith and in the exercise of reasonable judgment. The Signing Company Stockholders on whose behalf the Escrow Amount was contributed to the Escrow Fund shall severally indemnify the Stockholder Agents and hold the Stockholder Agents harmless against any loss, liability or expense incurred without negligence or bad faith on the part of the Stockholder Agents and arising out of or in connection with the acceptance or administration of the Stockholder Agents' duties hereunder, including the reasonable fees and expenses of any legal counsel retained by the Stockholder Agents.

(i) Actions of the Stockholder Agents. A decision, act, consent or instruction of both of the Stockholder Agents (including an amendment, extension or waiver of this Agreement pursuant to Section 9.3 or Section 9.4 hereof) shall constitute a decision of all the Signing Company Stockholders for whom a portion of the Escrow Amount otherwise payable to them is deposited in the Escrow Fund and shall be final, binding and conclusive upon each of such Signing Company Stockholders, and the Escrow Agent and Parent may rely upon any such decision, act, consent or instruction of the Stockholder Agents as being the decision, act, consent or instruction of each of such Signing Company Stockholders. For the avoidance of doubt, an act or communication by one of the Stockholder Agents but not by both of the Stockholder Agents shall not constitute an act or communication of the Stockholder Agents hereunder. The Escrow Agent and Parent are hereby relieved from any liability to any person for any acts done by them in accordance with such decision, act, consent or instruction of the Stockholder Agents.

(j) Third-Party Claims. If Parent receives notice of a third-party claim that Parent believes may result in a demand for monetary damages against the Escrow Fund, Parent shall notify the Stockholder Agents in writing of such claim (but the failure to notify either or both of the Stockholder Agents shall not relieve the indemnifying party of its obligations hereunder unless (and then solely to the extent) that the Stockholder Agents prove that, had the Stockholder Agents been so notified the Stockholder Agents would have made a specific suggestion to Parent concerning the resolution of the third-party claim which Parent would have followed and that would have materially improved the outcome of the third-party claim for Parent) and Parent shall reasonably consider any reasonable suggestions or comments made by the Stockholder Agents with respect to such third-party claim (*provided*, that Parent may accept or reject any such suggestion or comment in its sole discretion and for any reason whatsoever), and the Stockholder Agents shall be entitled on behalf of the Signing Company Stockholders, at the Stockholder Agents' expense, to participate in, but not to determine or conduct, the defense of such third-party claim. Parent shall have the right in its sole discretion to conduct the defense of, and to settle, any such claim; *provided, however*, that except with

the consent of the Stockholder Agents, no settlement of any such claim with third-party claimants shall be determinative of the amount of any claim against the Escrow Fund. The Stockholder Agents may make suggestions to Parent concerning the resolution of any third-party claim, which Parent will consider, accept or reject in its sole discretion. If the Stockholder Agents have consented to any such settlement, the Stockholder Agents shall have no power or authority to object under any provision of this ARTICLE VIII to the amount of any claim by Parent against the Escrow Fund with respect to and in the amount of such settlement. If there is third-party claim that, if adversely determined would give rise to a right of recovery for Losses hereunder, then any amounts incurred or accrued in defense of such third-party claim, regardless of the outcome of such claim, shall be deemed Losses hereunder.

(k) Escrow Agent's Duties.

(i) The Escrow Agent shall be obligated only for the performance of such duties as are specifically set forth herein, and as set forth in any additional written escrow instructions which the Escrow Agent may receive after the date of this Agreement that are signed by an officer of Parent and the Stockholder Agents, and may rely and shall be protected in relying or refraining from acting on any instrument reasonably believed to be genuine and to have been signed or presented by the proper party or parties. The Escrow Agent shall not be liable for any act done or omitted hereunder as Escrow Agent while acting in good faith and in the exercise of reasonable judgment, and any act done or omitted pursuant to the advice of counsel shall be conclusive evidence of such good faith.

(ii) The Escrow Agent is hereby expressly authorized to comply with and obey Orders of any court of law, notwithstanding any notices, warnings or other communications from any party or any other person to the contrary. In case the Escrow Agent obeys or complies with any such Order of any court, the Escrow Agent shall not be liable to any of the parties hereto or to any other person by reason of such compliance, notwithstanding any such Order being subsequently reversed, modified, annulled, set aside, vacated or found to have been entered without jurisdiction.

(iii) The Escrow Agent shall not be liable in any respect on account of the identity, authority or rights of the parties executing or delivering or purporting to execute or deliver this Agreement or any documents or papers deposited or called for hereunder.

(iv) The Escrow Agent shall not be liable for the expiration of any rights under any statute of limitations with respect to this Agreement or any documents deposited with the Escrow Agent.

(v) In performing any duties under the Agreement, the Escrow Agent shall not be liable to any party for damages, losses, or expenses, except for gross negligence or willful misconduct on the part of the Escrow Agent. The Escrow Agent shall not incur any such liability for (A) any act or failure to act made or omitted in good faith, or (B) any action taken or omitted in reliance upon any instrument, including any written statement or affidavit provided for in this Agreement that the Escrow Agent shall in good faith believe to be genuine, nor will the Escrow Agent be liable or responsible for forgeries, fraud, impersonations, or determining the scope of any representative authority. In addition, the Escrow Agent may consult with legal counsel in connection with Escrow Agent's duties under this Agreement and shall be fully protected in any act taken, suffered, or permitted by it in good faith in accordance with the advice of counsel. The Escrow Agent is not responsible for determining and verifying the authority of any person acting or purporting to act on behalf of any party to this Agreement.

(vi) If any controversy arises between the parties to this Agreement, or with any other party, concerning the subject matter of this Agreement, its terms or conditions, the Escrow Agent will not be required to determine the controversy or to take any action regarding it. The Escrow Agent may hold all documents and the amounts in the Escrow Fund and may wait for settlement of any such controversy by final appropriate legal Proceedings or other means as, in the Escrow Agent's discretion, the Escrow Agent may be required, despite what may be set forth elsewhere in this Agreement. In such event, the Escrow Agent will not be liable for damages. Furthermore, the Escrow Agent may at its option, file an action of interpleader requiring the parties to answer and litigate any claims and rights among themselves. The Escrow Agent is authorized to deposit with the clerk of the court all documents and the amounts in the Escrow Fund, except all costs, expenses, charges and reasonable attorney fees incurred by the Escrow Agent due to the interpleader action (the "*Agent Interpleader Expenses*") and which the parties agree to pay as follows: fifty percent (50%) to be paid by Parent and fifty percent (50%) to be paid by the Signing Company Stockholders on the basis of their respective contributions to the Escrow Fund; *provided, however*, that in the event any Signing Company Stockholder fails to timely pay his or her portion of the Agent Interpleader Expenses, the parties agree that Parent may at its option pay such Company Stockholder's portion of the Agent Interpleader Expenses and recover an equal amount (which amount shall not be objected to by the Stockholder Agents) from such Signing Company Stockholder's portion of the Escrow Fund. Upon initiating such action, the Escrow Agent shall be fully released and discharged of and from all obligations and liability imposed by the terms of this Agreement.

(vii) The parties and their respective successors and assigns agree to indemnify and hold the Escrow Agent harmless against any and all losses, claims, damages, liabilities, and expenses, including reasonable costs of investigation, counsel fees, and disbursements that may be imposed on the Escrow Agent or incurred by the Escrow Agent in connection with the performance of its duties under this Agreement, including any litigation arising from this Agreement or involving its subject matter, other than those arising out of the gross negligence or willful misconduct of the Escrow Agent (the "*Agent Indemnification Expenses*"), as follows: fifty percent (50%) to be paid by Parent and fifty percent (50%) to be paid by the Signing Company Stockholders severally and not jointly on the basis of the Signing Company Stockholders' respective contributions to the Escrow Fund; *provided, however*, that in the event any Signing Company Stockholder fails to timely pay his or her portion of the Agent Indemnification Expenses, the parties agree that Parent may at its option pay such Signing Company Stockholder's portion of the Agent Indemnification Expenses and recover an equal amount (which amount shall not be objected to by the Stockholder Agents) from such Signing Company Stockholder's portion of the Escrow Fund; *provided, further*, that nothing contained in this clause (vii) shall affect the obligations of the parties as between themselves under Section 8.2(I).

(viii) The Escrow Agent may resign at any time upon giving at least thirty (30) days written notice to the parties; *provided, however*, that no such resignation shall become effective until the appointment of a successor escrow agent which shall be accomplished as follows: Parent and the Stockholder Agents shall use their Commercially Reasonable Efforts to mutually agree on a successor escrow agent within thirty (30) days after receiving such notice. If the parties fail to agree upon a successor escrow agent within such time, the Escrow Agent shall have the right to appoint a successor escrow agent authorized to do business in the State of California. The successor escrow agent shall execute and deliver an instrument accepting such appointment and it shall, without further acts, be vested with all the estates, properties, rights, powers, and duties of the predecessor escrow agent as if originally named as Escrow Agent. The predecessor escrow agent shall thereupon be discharged from any further duties and liability under this Agreement.

(l) Fees. Except as otherwise expressly provided herein, all fees of the Escrow Agent for performance of its duties hereunder shall be paid by Parent. It is understood that the fees and usual charges agreed upon for services of the Escrow Agent shall be considered compensation for ordinary services as contemplated by this Agreement. If the conditions of this Agreement are not promptly fulfilled, or if the Escrow Agent renders any service not provided for in this Agreement, or if the parties request a substantial modification of its terms, or if any controversy arises, or if the Escrow Agent is made a party to, or intervenes in, any litigation pertaining to this escrow or its subject matter, the Escrow Agent shall be reasonably compensated for such extraordinary services and reimbursed for all costs, attorney's fees, and expenses occasioned by such default, delay, controversy or litigation. Parent promises to pay these sums upon demand.

8.3 Scope and Limitation of Remedies.

(a) Except as set forth in the last sentence of this Section 8.3(a) and as may be set forth in any other arrangements separately agreed to in writing by any of the Signing Company Stockholders, following the Closing Date, resort to the Escrow Fund shall be the sole and exclusive right and remedy of Parent against the Class A Stockholders and the Signing Company Stockholders pursuant to any claim for indemnity made under Section 8.2(a) hereof. In addition, except as set forth in the last sentence of this Section 8.3(a), following the Closing Date, a Parent Indemnified Party may not recover from the Escrow Fund any Losses claimed under Section 8.2(a)(i) or clause (A) of the first sentence of Section 8.2(a)(ii) (other than Losses related to any breaches or inaccuracies of representations or warranties contained in Section 2.2, Section 2.10, Section 2.19 or Section 2.23 as to which the restrictions in this sentence shall not apply) (i) unless and until one or more Officer's Certificates identifying Losses in excess of \$250,000 in the aggregate has or have been delivered to the Escrow Agent, in which case the Parent Indemnified Party may recover all Losses and (ii) for individual Losses that do not exceed \$25,000; *provided* that, for purposes of the foregoing, a Loss will only be considered individually (and therefore subject to this restriction) if it cannot reasonably be associated with one or more other claimed Losses. In addition, except as set forth in the last sentence of this Section 8.3(a), following the Closing Date, a Parent Indemnified Party may not recover from the Escrow Fund any Loss that arises solely from an amendment to applicable Laws occurring after the Closing that is retroactive to periods prior to the Closing or any Loss that has been fully compensated and addressed by an insurance claim, *provided*, that notwithstanding anything in this ARTICLE VIII to the contrary, Parent shall have no obligation to make any insurance claim if it reasonably believes it may incur an adverse impact (including increases in insurance costs) in connection with making such a claim. Notwithstanding anything to the contrary set forth in this Section 8.3(a) or elsewhere in this Agreement, nothing in this Agreement shall limit any equitable remedies that may be available to Parent Indemnified Parties or the liability of any Signing Company Stockholder (and the liability of the Company Stockholder shall not be limited to the Escrow Fund) in respect of Losses arising out of any Fraud attributable to such Signing Company Stockholder. *provided*, that, to the extent not inconsistent with applicable Law, the liability for damages of each Signing Company Stockholder pursuant to any claim for indemnity made under this Agreement will not exceed such Signing Company Stockholder's Consideration Portion of the Purchase Price as calculated in accordance with Section 1.3(b).

(b) The Parent Indemnified Parties shall take commercially reasonable steps to mitigate any Loss incurred or suffered by them following the discovery by Parent of such Loss. It is acknowledged and agreed that threatening or commencing a lawsuit against a customer, supplier, employee, or consultant of Parent or any subsidiary of Parent (including the Company following the Closing) or any others doing business with Parent or any such subsidiary shall not be required pursuant to this Section 8.3(b). To the

extent that the Parent Indemnified Parties do not take commercially reasonable steps to mitigate Losses in accordance with the foregoing or do not commence appropriate legal action to compel an employee or consultant of the Company who is committing a Bad Employee Act (as defined below) to stop committing such Bad Employee Act, then damages that the Company Stockholders prove would have been avoided directly as a result of such failure to take commercially reasonable steps to mitigate Losses or failure to take such legal action, will not be recoverable from the Escrow Fund pursuant to this ARTICLE VIII. For the avoidance of doubt, so long as commercially reasonable steps to mitigate Losses are taken, regardless of whether any Company Stockholder alleges that different commercially reasonable steps could have or should have been taken, the Parent Indemnified Parties shall be entitled to recover from the Escrow Fund in connection with such Losses in accordance with this ARTICLE VIII and without regard to the provisions of this Section 8.3(b). In addition, the Parent Indemnified Parties will not claim Losses pursuant to clause (D) of the first sentence of Section 8.2(a)(ii) for any withholding obligations that may be required of the Company on behalf of any Company Stockholder, if such Losses are promptly compensated in full (without any Proceeding being commenced or Threatened) through withholding of a portion of the Purchase Price pursuant to the terms of Section 1.8 of the Warrantholder Stock Purchase Agreements or Section 1.7 of this Agreement or through payment made by or on behalf of the Company Stockholders other than pursuant to this Agreement. A "*Bad Employee Act*" shall mean a grossly unreasonable refusal by an employee or consultant of the Company to take specific actions requested by the Company for the purposes of mitigating Losses incurred by a Parent Indemnified Party which Losses are indemnifiable hereunder.

(c) The Parent Indemnified Parties may not recover from the Escrow Fund, with regard to any claim for indemnification that is not made pursuant to clause (D) of the first sentence of Section 8.2(a)(ii), an amount in excess of the amount contained in the Escrow Fund (at the time of payment with regard to such claim to such Parent Indemnified Parties) minus the Tax Reserve (as defined below). The "*Tax Reserve*" shall mean, at any time of measurement, \$4,000,000 minus all amounts previously paid to the Parent Indemnified Parties out of the Escrow Fund in satisfaction of claims made pursuant to clause (D) of the first sentence of Section 8.2(a)(ii).

(d) Except as set forth in the following two sentences, nothing in this Agreement shall limit the liability of the Company or the Company Stockholders under applicable law for any breach or inaccuracy of any representation, warranty or covenant contained in this Agreement, any Related Agreement or any certificate or other instrument delivered pursuant to this Agreement or the Warrantholder Stock Purchase Agreements if the Stock Purchase is not consummated. The remedies enforceable against the Company for any breach of this Agreement shall not exceed the limitations of applicable Law; *provided that*, for the avoidance of doubt, any such limitations applicable to the Company shall not reduce or modify in any respect any equitable, contractual, indemnification or other remedies enforceable against any other party hereto. In addition, if the Stock Purchase is not consummated and this Agreement is terminated pursuant to Section 9.1 hereof, the only liability for breaches of the representations and warranties set forth in ARTICLE II, ARTICLE III and ARTICLE IV that any Signing Company Stockholder, Parent or Buyer Sub shall be subject to shall be for breaches of such representations and warranties involving Fraud attributable to such party.

8.4 Indemnification by Parent. Parent and Buyer Sub shall indemnify and hold harmless each Signing Company Stockholder from and against any loss, liability, diminution in value, damage or expense suffered or incurred by such Company Stockholder resulting from any inaccuracy in or breach of any of the representations, warranties, covenants or agreements made by Parent and/or Buyer Sub herein.

ARTICLE IX

TERMINATION, AMENDMENT AND WAIVER

9.1 Termination. Except as provided in Section 9.2 below, this Agreement may be terminated and the Stock Purchase abandoned at any time prior to the Closing Date:

(a) by mutual consent of Parent and the Company;

(b) by Parent or the Stockholder Agents if: (i) the Closing Date has not occurred before 5:00 p.m. (Pacific time) on the date that is 60 days following the date hereof (the "*End Date*"); *provided* that the right to terminate this Agreement under this Section 9.1(b)(i) shall not be available to any party whose willful failure to fulfill any obligation hereunder has been a cause of, or resulted in, the failure of the Closing Date to occur on or before such date; (ii) there shall be a final nonappealable Order of a federal, state or foreign court in effect preventing consummation of the Stock Purchase; or (iii) there shall be any Law enacted, promulgated or issued or deemed applicable to the Stock Purchase by any Governmental Entity that would make consummation of the Stock Purchase illegal;

(c) by Parent if there shall be any action taken, or any Law enacted, promulgated or issued or deemed applicable to the Stock Purchase, by any Governmental Entity, which would: (i) prohibit Parent's, Buyer Sub's or the Company's ownership or operation of all or any portion of the business or assets of the Company or (ii) compel Parent, Buyer Sub or the Company to dispose of or hold separate all or a portion of the business or assets of the Company, Buyer Sub or Parent as a result of the Stock Purchase;

(d) by Parent, upon a breach of any representation, warranty, covenant or agreement on the part of the Company or any of the Company Stockholders set forth in this Agreement or the Warrantholder Stock Purchase Agreements, which breach has had or would be reasonably expected to have a Material Adverse Effect on the Company, or if any representation or warranty of the Class A Stockholders or the Company Stockholders shall have become untrue, in either case such that the conditions set forth in Section 7.3(a) or Section 7.3(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue; *provided* that if such inaccuracy in any of the Class A Stockholders' or any of the Company Stockholders' representations and warranties or breach by the Company or any of the Company Stockholders is curable by the Company and/or such Company Stockholder(s), as applicable, within 30 days through the exercise of its respective Commercially Reasonable Efforts, then for so long as the Company and/or such Company Stockholder(s), as applicable, continues to exercise such Commercially Reasonable Efforts, Parent may not terminate this Agreement under this Section 9.1(d) unless such breach is not cured within 30 days;

(e) by the Stockholder Agents, if any representation or warranty of Parent shall have become untrue, in either case such that the conditions set forth in Section 7.3(a) or Section 7.3(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue; *provided* that if such inaccuracy in Parent's representations and warranties or breach by Parent is curable by Parent within 30 days through the exercise of its Commercially Reasonable Efforts, then for so

long as Parent continues to exercise such Commercially Reasonable Efforts, the Company may not terminate this agreement under this Section 9.1(e) unless such breach is not cured within 30 days.

Where action is taken to terminate this Agreement pursuant to this Section 9.1, it shall be sufficient for such action to be authorized by the board of directors (as applicable) of the party taking such action.

9.2 Effect of Termination. If this Agreement is terminated as provided in Section 9.1, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of Parent, Buyer Sub or the Company Stockholders, or their respective officers, directors or stockholders; *provided that*, subject to Section 8.3(d), each party hereto shall remain liable for any breaches of this Agreement, any Related Agreement or any certificate or other instrument delivered pursuant to this Agreement prior to the termination of this Agreement; *provided further*, that the provisions of Section 6.2, Section 6.3, Section 6.4, Section 8.1, Section 8.2(a) (with respect to clauses (i) and (ii) of the first sentence thereof), Section 8.3(d), ARTICLE X and this ARTICLE IX of this Agreement shall remain in full force and effect and survive any termination of this Agreement.

9.3 Amendment. Except as is otherwise required by applicable Law, this Agreement may be amended by the parties hereto at any time by execution of an instrument in writing signed on behalf of each of (a) Parent and (b) if the Closing has not occurred, the Company, or, following the Closing, the Stockholder Agents.

9.4 Extension; Waiver. At any time prior to the Closing Date, (a) Parent and Buyer Sub, (b) the Company and (c) the Stockholder Agents on behalf of the Company Stockholders may, to the extent legally allowed: (x) extend the time for the performance of any of the obligations of the other party hereto, (y) waive any inaccuracies in the representations and warranties made to such party contained herein or in any document delivered pursuant hereto, and (z) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

10.2 Interpretation.

(a) As used herein:

(i) the term "*Best Efforts*" shall mean the efforts that a prudent person desirous of achieving a result would use in similar circumstances to ensure that such result is achieved as expeditiously as possible, and the term "*Commercially Reasonable Efforts*" shall mean Best Efforts, *provided, however*, that the person subject to the obligation to take such efforts is not required to take actions that would result in a materially adverse change in the benefits to such person of this Agreement and the transactions contemplated hereby.

(ii) the terms "*include*," "*includes*" and "*including*" shall be deemed in each case to be followed by the words "*without limitation*."

(b) The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

10.3 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart.

10.4 Entire Agreement; Assignment. This Agreement, the Schedules and Exhibits hereto and the documents and instruments and other agreements among the parties hereto referenced herein: (a) constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof; (b) are not intended to confer upon any other person any rights or remedies hereunder; and (c) shall not be assigned by operation of Law or otherwise except as otherwise specifically provided, except that Parent and Buyer Sub may assign their respective rights and delegate their respective obligations hereunder to their respective affiliates.

10.5 Severability. If any provision of this Agreement or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as to reasonably effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

10.6 Other Remedies. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy.

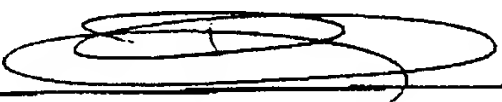

10.7 Governing Law; Jurisdiction, Venue and Process. This Agreement shall be governed by and construed in accordance with the laws of Belgium, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof. The parties hereto agree to reasonably attempt to reach an amicable settlement to any dispute or controversy in connection with any matter based upon or arising out of this Agreement; *provided* that any voluntary settlement discussions among the parties hereto will be confidential and inadmissible in any arbitration or other proceedings without the written consent of both Parent and the Stockholder Agents. Should the reasonable attempts to settle fail, all disputes arising out of or in connection with the Agreement shall be finally settled under the rules of arbitration of the International Chamber of Commerce (the "ICC") by three arbitrators appointed in accordance with the rules of the ICC. The three arbitrators must be members of the Belgian legal bar. The arbitration shall be held in the United States in a location determined by Parent; *provided* that at the option of Parent in its sole discretion, such arbitration may be held in Brussels, Belgium. It is further agreed that (i) all submissions and awards in relation to arbitration under this Agreement shall be made in English and all arbitration proceedings and all pleadings shall be in English and that (ii) any monetary award shall be made in U.S. dollars. By agreeing to arbitration, the parties do not intend to deprive any court of its jurisdiction to issue a pre-arbitral injunction, pre-arbitral attachment, injunctive or other equitable relief or an order in aid of arbitration proceedings and the enforcement of any award. Each of the parties hereto agrees that any arbitral award shall be final and conclusive and not subject to appeal and the parties hereby waive all challenges to any award by the arbitrators under this Section 10.7. The decision of the arbitrators may be enforced by any party in any court of competent jurisdiction. In any such enforcement action, irrespective of where it is brought, no party will (and the parties hereby waive any right to) seek to invalidate or modify the decision of the arbitrators or otherwise to invalidate or otherwise circumvent the procedures set forth in this Section 10.7. If the amount of a Loss is subject to pending litigation with a third party, arbitration hereunder as to the amount of such Loss

shall not be commenced until such amount is finally determined in such third party litigation or both Parent and the Stockholder Agents agree to arbitration.

10.8 Rules of Construction. The parties hereto agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any Law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document.

IN WITNESS WHEREOF, Parent, Parent in the name and on behalf of Buyer Sub, the Company, the Signing Company Stockholders, the Escrow Agent (with respect to ARTICLE VIII and ARTICLE X only) and the Stockholder Agents (with respect to ARTICLE VIII and ARTICLE X only) have caused this Agreement to be signed, all as of the date first written above.
